

SC-14

RESIDUE-FREE CLEANER & DEGREASER

TARGET HYDROCARBON GRIME AND OIL RESIDUE WITHOUT TOXIC SOLVENTS

MATERIAL COMPATIBILITY

SC-14® effectively replaces many damaging petrochemical cleaners and highly aggressive solvent degreasers. Use safely and confidently on almost any workplace surface, exposed metals, painted surfaces, decals, tools and equipment without fear of oxidation, corrosion, dulling or compromised equipment function*

INDUSTRIAL CLEANING POWER

Whether spray and wipe, power washing, or floor scrubber applications, SC-14® bonds to oil and grease and rinses away permanently with just water leaving a residue-free surface

SAFER WORK ENVIRONMENT

Intelligently formulated to provide versatile cleaning power without endangering the user by eliminating the need for toxic and potentially carcinogenic solvents - all while helping clean and remove many other dangerous contaminants from the workplace

REDUCED WASTE IMPACT

Not only is SC-14® safe on the environment, it's unique function separates oily waste contaminants from water - allowing users to employ separators, filters or other means to collect the waste portion while recycling or reusing gray water from the cleaning process

*As with all cleaners, spot test on inconspicuous area prior to use.

ABOUT SC PRODUCTS

For over 20 years, we've delivered high performance, specialized cleaners and all-purpose degreasers that are **SAFE** and **EFFECTIVE**. Permanently remove oil, grease, soot and other hydrocarbons without damaging the very thing you're trying to clean. Our unique line of biodegradable products are trusted by professionals in a wide spectrum of industries including firefighting, oil & gas, mining, automotive, marine, janitorial and facilities management.
